PIPERINOX FOOD SUPPLEMENT

30 capsules / 730 mg

Piperinox is a multi-component food supplement which facilitates controlling body mass due to the content of black pepper, bitter orange and cinnamon. Thanks to the content of cayenne pepper extract standardized for its content of capsaicin, it contributes to weight loss, and the chrome content facilitate digestion and maintenance of the correct glucose level in the blood. The bitter orange extract included in **Piperinox** helps in the metabolism of carbohydrates and the metabolism of fats and their degradation. Additionally, the medical ginger included in the product supports the functioning of the immune system and acts as an antioxidant, black pepper helps in cleansing the liver through supporting blood circulation through small blood vessels and capillaries.
